STUDENT COMPUTER AND INTERNET USE PERMISSION SLIP

2019-2020 Academic Year

Student Name: _____ Grade Level: _____

Recognizing the fundamental role technology plays in 21st century learning, Ignite Entrepreneurship Academy seeks to support and encourage the responsible use of technology in your child's learning experiences. IEA will take reasonable measures to protect students and to ensure that the use of technology is aligned with educational objectives and standards.

The current policy *Internet and Online Access Acceptable Use*, including rules and regulations, can be found in IEA's policy handbook. It is the responsibility of the parent and the student to read and understand the policy.

By signing below, I acknowledge I have read and reviewed with my student the rules and regulations associated with this policy. Furthermore, I acknowledge these rules apply to both school and personal device use while on school property.
