

IGNITE ENTREPRENEURSHIP ACADEMY INCLEMENT WEATHER PLAN

2-HOUR DELAYED START

- A delayed start indicates that school will start at 10:00 am instead of 8:00 am
- School will end at the regular designated time of 2:30 pm (Mon.-Thurs.) or 1:30 pm (Fri.)
- On delayed start days, both AM/PM Kindergarten are canceled
- School lunch will be served

INCLEMENT WEATHER SCHOOL CLOSURE

- School Closures will be determined either by the evening before the closure or by 5:30 am the morning of the closure.
- School closures may require the need for additional make-up days in the school calendar depending on the number of closures exercised.

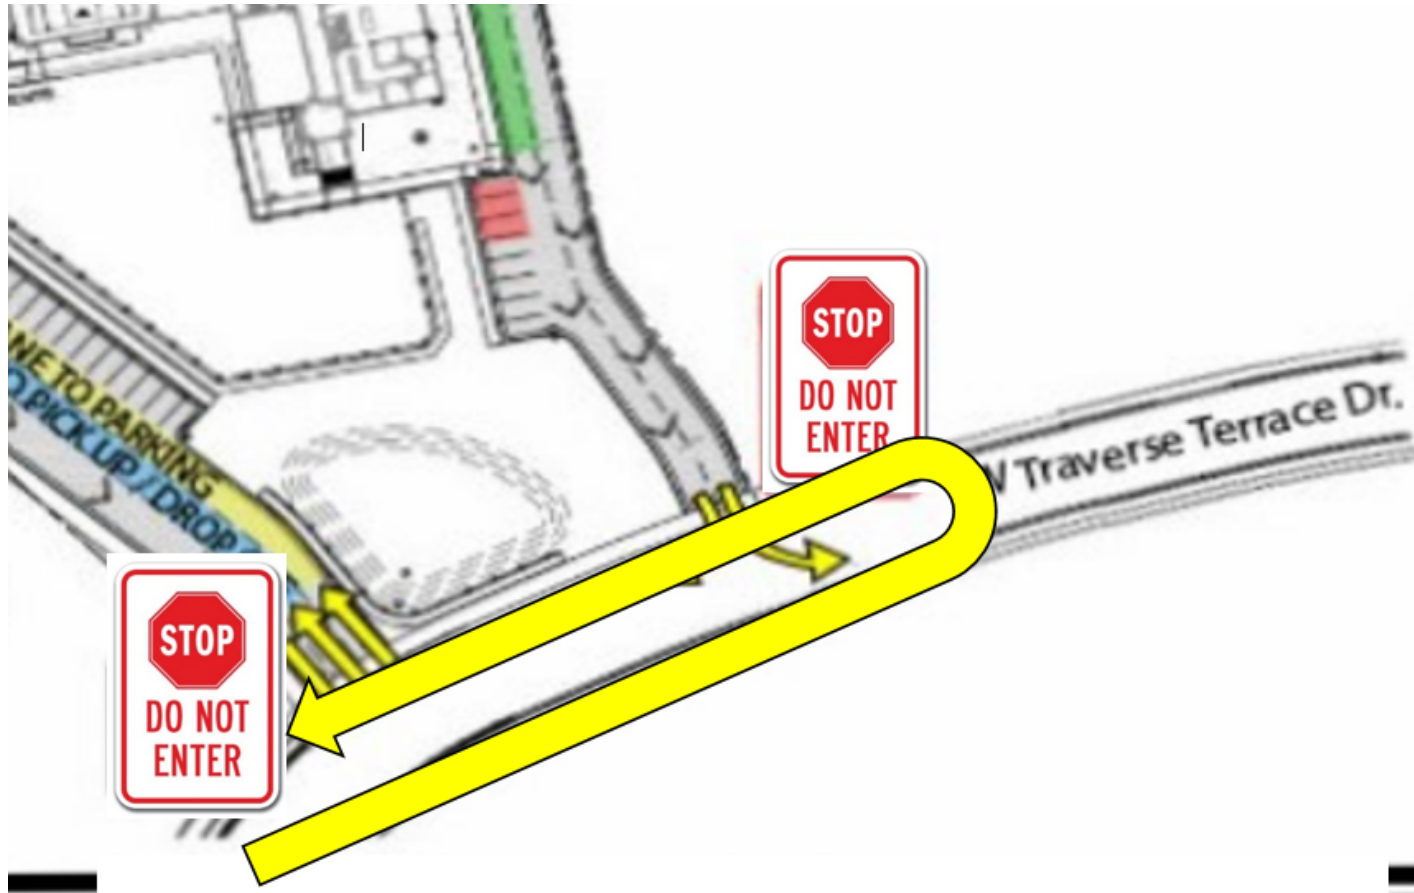

PARENT COMMUNICATION

- Communication regarding a delayed start or a school closure will be made using the One Call Now Parent Notification/Messaging System via text, phone call, and email.
- A social media post will be made on the "Ignite Entrepreneurship Academy" Facebook page

As always, student and family safety is our main priority. Should you feel it is unsafe to travel on a regular school day or a delayed-start day, please feel free to exercise discretion in determining your child's attendance at school.

INCLEMENT WEATHER DROP-OFF/PICK-UP PROCEDURES

Ignite Entrepreneurship Academy considers your child's safety as one of our upmost priorities. During the winter season, harsh weather varies. Depending on the severity of each storm, the administration will determine if DROP OFF and PICK UP lanes will be open.

In the event that the carpool lanes are too icy, slick, or unsafe, IEA will close carpool lanes and have students dropped off and picked up at the bottom of the hill on the East side of the building. Please do the following:

- Drive EAST on W Traverse Terrace Dr
- At the EAST exit, make a U-TURN
- Merge to the sidewalk, pull forward as close as you can, and drop off your student(s) quickly
- Students will walk up the sidewalk and ENTER the school through the front entry
- USE CAUTION AT ALL TIMES
- NO CELL PHONES WHILE DRIVING

Students may only EXIT using the PASSENGER SIDE DOOR
