Winter Break

January 4 - School Resumes/3rd Term

A HOLIDAY MESSAGE from Ms. Heidi

Ignite Families,

The holidays always brings with them gratitude, excitement, and plans for fun festivities and family gatherings. This year has been different in so many ways, but we are still planning to ring in the holidays with gratitude, excitement and plans for fun-filled memories! Our Candy Cane Lane event will be a fun virtual celebration of the holidays where students will choose a showcase as a class, such as singing, performing a skit, sharing stories, and so on, and we'll bring this to parents via Facebook Live! Encourage your children to participate in our dress up days during the week of December 14th -18th to participate in the festivities. Teachers will also be providing you with details of any classroom celebrations/parties that will take place.

More than anything, we want to take this time to celebrate the hard work and sacrifice of our teachers and families! Who knew that our 3rd year at Ignite would bring with it such challenges, but also such solidarity and support? **We would love to invite you to give the gift of gratitude by sharing your positive experiences about Ignite on our Facebook page, "Ignite Entrepreneurship Academy" to celebrate our staff and show them your love and support!** As we prepare to open our enrollment application window to new students for the 2021-2022 school year, from Jan. 25-Feb. 25, spread the word about who we are, what we do, and the many advantages we offer. Thank you for the kind consideration, words of gratitude, and consistent support you offer. It is felt and appreciated each and every day!
